Infrastructure Debate 23 February 2013:

- Shall we organise a pre-Christmas advance booking offer to London SIG/IHBC members?
- Advance notice and indicative programme to be circulated w/b Monday 10 December
- Agreed to have a later start and skip mid morning coffee
- Attendance on the day will count as CPD!
- We still need to consider the practicalities of providing lunch and coffee provision (Pret a Manger?)
- Ticket price agreed.
- If event is not sold out shall we advertise on Heritage Update?
- CM to be 'salesperson' at the event – cheque/Paypal/invoices as payment options.
- We should advertise other events, sell books etc at the conference!
