Committee meeting 24 May 2023 – online

Committee members present: Jessica Lowther, Clemency Copper, Emily Johnston, Richard Bennett, Sarah-Jane Farr and Nina O’Hare

Apologies: Mike Nevell, James Brown, Penelope Foreman

1. Update on Community Archaeology toolkit from Manda Foster (DigVentures)

- Manda gave an overview of the toolkit. Discussion around additional resources that might be needed to aid implementation and recommendations to include for further work.
- Comments can still be sent in (until 16th June), as currently being reviewed by Historic England.
- DigVentures plan to hand over the toolkit to CIfA in mid-July, for CIfA to upload and release at the end of August.

2. Committee meeting

- Co-option interest from Jessica for Chair and James for Treasurer. Committee is not aware of any further co-option interest in these roles.
- Votes to be sent to Meg Keates (CIfA), as not many of the committee could stay until the end of the meeting.

Next committee meeting: w/c 7 or 14 August
