

The Early Careers SIG Annual General Meeting

1. Apologies for absence

Claire Corkill sent her apologies for running slightly late, apologies were also sent to Megan Keates on behalf of A Welch and S Osborne.

2. Minutes of last AGM

The Minutes of the last AGM were circulated on the Teams chat and approved. No additional comments were added.

3. Chair's Welcome and Report

The Chair Megan welcomed those present to this year's AGM and between her and the Secretary Tabitha they did a joint presentation of this year including a summary, events, online presence, miscellaneous and our plans for the future. The presentation will be attached in the email to those who attended.

4. Secretary's Report

Please see above for a joint presentation by Chair and Secretary.

5. Treasurer's Report

Report by Treasurer Jo Kirton was brief due to this year's expenses. Once again we haven't spent a large amount as a committee due to continuation of online events. For the events we did hold in person we spent money on travel for committee members and some promotional material (leaflets, banners). This year we will be applying for the £800 limit in the hope of doing additional in person events and also preparing for the upcoming CifA 2023 conference in Nottingham.

6. Elections to committee

This section of the proceedings was conducted by Megan Keates who is the CifA Membership Engagement Coordinator. The current committee was read out which is *Chair* - Megan Schlanker, *Secretary* - Tabitha Gulliver Lawrence, *Treasurer* - Jo Kirton, *Ordinary Committee Members* - Claire Corkill, Phil Pollard,
