2.	Portfolio Advice Sessions	
	<p>As discussed in our last meeting, our Facebook survey respondents showed an interest in portfolio advice sessions, which we are now organising.</p> <p>We had previously discussed running an online session – we need to consider the potential IT problems involved, as we’ve had problems running online sessions before. Would an alternative option be for people to receive written feedback? This is something we’ll need to discuss as a committee in our next meeting.</p> <p>AW to draft an invite for members and publish in our Google Drive for committee members to edit.</p> <p>AW to create a list of potential assessors and publish in our Google Drive for committee members to edit. If we go ahead with an online session, we’ll need agree a date that our panel of assessors can make.</p>	<p>AW, All</p> <p>AW, All</p>
3.	CPD Events	
	<p>As discussed in our last meeting, our Facebook survey respondents also expressed an interest in CPD events, and we suggested running a series of online talks for GAG members and subscribers.</p> <p>AW to create a list of possible topics and publish in our Google Drive for all committee members to edit.</p>	<p>AW, All</p>
4.	AGM	
	<p>Our last AGM was held in June 2022 – we won’t be able to put together an event for this June and it’s proposed that we post-poned until September/October, when the summer holidays are over.</p>
