### **RIG Committee**

Your committee met at the end of June and among the discussion was a decision to hold an in-person meeting in Glasgow with GLAS either in October or November. In addition, we are continuing to review Standards and Guidance, as well as looking into regional plans and are they fit for purpose. Also in the pipeline is a Heritage Crime Workshop with the help of the Heritage Crime and International Practice groups. This will probably be in early 2025.
